Installation Memorandum *Effective April 1, 2019*

March 13, 2019

Re: Pre-paying for installation inspection

Effective April 1, 2019 installation inspections, subsequent to the three included in the fee for the installation permit, must be paid for at the time of requesting inspection.

When requesting an inspection, the requestor will be informed if pre-payment is required. A link to the ADOH payment portal and instructions for completing payment will be provided. After payment the inspection request may be completed in the usual manner.

Thank you.
