

# Reconstruction Certificate

Effective January 1, 2013, the new Reconstruction Certificate will replace the Reconstruction Insignia issued to Manufacturers by the Department of Fire Building and Life Safety.

## Reconstruction Certificate versus Reconstruction Insignia. What is the same?

- Plan # block
- Serial number block (must have full serial number)
- Affixed to each section of a residential or commercial modular building

## Reconstruction Certificate versus Reconstruction Insignia. What has changed?

- Color – Brown/Black
- Larger size - 3.5" high by 4" wide
- Added Manufacturer and Address (*Manufacturer's*) blocks
- Added Date of Reconstruction block
- Added Roof Load, Wind Zone, and Seismic Zone blocks
- Added Occupancy Use block

**Note: All blocks must be filled in – no blank boxes.**
